## SUPERINTENDENT'S CORNER BUDGET MESSAGE

By: Robin Stoutt

The budget was presented to the District Budget Committee for its consideration and review on April 26th. The document is an estimate of the expenditures and revenue we anticipate during the 2012-2013 fiscal year. The budget document is based upon the financial needs of the Perrydale School District. Our goal has been to clearly identify and provide for both the current and future needs of the students, staff and the facilities of the Perrydale School District.

We will continue with our conservative budget management practices by building the budget at the recommended estimate provided by the Oregon Department of Education.

Our primary aim is to maintain the quality instructional programs that make Perrydale a "School of Excellence". The proposed budget provides a stable financial plan for the Perrydale School District. In this budget we have allocated funds for remodeling the elementary bathrooms.

Perrydale School District submits this budget proposal with hopes that our state can provide, in the future, more funding to offer our students more educational opportunities. The high quality of education is a tradition that can and must continue to be a top priority. The proposed budget will allow us to continue to meet student needs, and provide an educational program that will prepare our students for a successful life in the twenty-first century.

Thanks to the PPC Auction, Principal of the Day is going to be Lauren Foster. Lauren will be given an official whistle to help out. Here is a picture of her in her official chair.

## FROM THE PLAYING FIELD BY CHRIS GUBRUD

Spring sports are in mid season. The Varsity softball team is coming off a big win over Kennedy which put them firmly in the playoff hunt. The team is 4-1 in its first five league games. The baseball team is playing a mix of JV and varsity competition, winning games over St. Paul and Chemawa. The varsity baseball field is finally getting playable and we hope to play several home games in May. Always check with the school on game day (baseball and softball) for rainout information. Often games change sites at the last minute due field conditions.

The middle school baseball and softball teams are beginning games and both teams have been practicing well despite the April weather. Both teams have new coaches; softball is headed by Carleen Danka while the middle school baseball club is coached by Lawrence Herndon.

The track program, although low on numbers, is having a great season. Coach Rich Regan has the kids improving with each meet and is hoping for a great showing at the district meet at Portland Christian on May 11th-12th.

# College Corner

Dear Parents,

The students in the **Graduating Class of 2012** are making their final decision about what college they will attend in the fall. They have completed scholarship applications and are getting word back on financial aid options. Nearly 100% of this class have applied for college. We are very proud of them.

We sent a Post Graduation Plans form home in the quarter report card for parents and seniors to fill out so we know exactly what to announce at graduation. Please list all awards and scholarships your student has received during their high school career here at Perrydale as well as their final plans after they leave high school. Please return the form to the office by the first week in May so we can get the information on the program.

Now we are going to start concentrating on the **Graduating Class of 2013**. We would like these students to sign up to take their SAT's this summer. They will need those scores when applying for colleges in the fall and statistically juniors score higher on this test before they take their summer break. The registration deadline for the June 2<sup>nd</sup> testing date is May 5<sup>th</sup>. They can register on-line at [www.collegeboard.com/reg](http://www.collegeboard.com/reg). Our school code is 380815. The cost is \$49.00 and it is offered at West Salem High School and McMinnville High School. If you need help with this fee please let us know.

Summer is a great time for incoming seniors to start their "dream" list of their top ten college choices. They can research those colleges over the summer and narrow the list down so they will be ready to apply for colleges in the fall of their senior year.

Please feel free to make an appointment to see me to discuss college options at anytime. I have enjoyed the process of helping the senior class prepare to spread their wings beyond Perrydale High School. Thanks for sharing these fine young men and women with me.

Regards,  
Mrs. McCartney

## Site Council News

By Janet Person

Perrydale Site Council met on Tuesday, April 10th in Mr. Deters' room. Members present were Sheila McCartney, Tammy Ruegsegger, Robin Stoutt, Dean Deters and Janet Person.

We discussed the upcoming School-Wide Improvement Day and worked on some last minute items that needed to be discussed.

We will once again be using the Google Docs program to generate the students' ideas. Mr. Deters walked us through it to preview how it works.

We will be honoring our seniors as this will be their 14<sup>th</sup> year of SWID if they started here at Perrydale as a kindergartner. Our first year of SWID took place when they were kindergartners.

I look forward to reporting on how School-Wide Improvement day went in June's newsletter.

Site Council meetings take place on the second Tuesday of each month at 3:45 in the Perrydale library. If anyone is interested in attending a meeting or becoming a part of Site Council, they may contact Sheila McCartney or Janet Person at the school.

## FFA News:

By: Ashley Richards

On March 6<sup>th</sup>, Alyssa Kellum and Taylor Rossi competed in the Creed speaking contest at the sectional level in Silverton. Taylor placed third and Alyssa placed second.

State FFA Convention in Hermiston was the first weekend of Spring break. It went really well. Students organized, ran, and judged the art, essay, photo, and poster contests. That was a good experience for students and gave the ability to see a little behind the scenes. Alyssa competed in Creed Speaking and placed second in the state!

Perrydale's blood drive took place on April 10<sup>th</sup>. The drive went extremely well, with only two deferrals all day. The Red Cross was very impressed with the number of donors we had and loves working with Perrydale students.

Upcoming events:

The Spring Fling will be on May 10<sup>th</sup>.

Our chapter FFA banquet will be on May 22<sup>nd</sup>.

## LIBRARY HAPPENINGS

By Anne Riley

There is still time to check out books before we wind down for summer break. The library officially closes May 30<sup>th</sup> for this school year. At that time I will be asking for all library books to be turned in.

Ms. Burke's 5th grade class has given us the honor of allowing us to share their work with you. They are gorgeous and I encourage everyone to come down to the library and see their Asian inspired art. Fabulous!

I have also been waiting for the Oregon Battle of the Books committee to finalize their 2013 book lists. Keep checking in and hopefully before summer break I will be able to get you a list.

## Flower Baskets!

The Senior Class is selling hanging baskets for Mother's Day. They are \$20.00 and are gorgeous 10 inch baskets. They will be delivered on May 10<sup>th</sup>. The last day to buy one of these baskets from a local grower is May 9<sup>th</sup>. If you are interested please contact a Senior class member or the office.

## Congratulations!
